

The Springfield Railroad Corridor Study team is making presentations to municipal officials, stakeholder organizations and community groups while the study is in progress. By going into the community to conduct these presentations and meetings, the study team is able to share important project information with the public; answer pressing questions; and obtain feedback on the study's activities and findings. If you or your organization is interested in scheduling a presentation, please contact the study team at 1-877-552-5505 or [info@springfieldrailroad.com](mailto:info@springfieldrailroad.com).

For a copy of the community presentation, [click here](#).
